To: OIC – Assistant Schools Division Superintendents, CID and SGOD Chiefs, Public Schools District Supervisors, Education Program Supervisors and Specialists, School Heads, All Others Concerned

1. This Office extends its gratitude to all the Public Schools District Supervisors, School Heads In-charge of Research and District Research Coordinators for the active participation during the recently conducted Assessment of Research Management Program, Presentation of District Research Action Plan and Training Needs Assessment.
2. To continuously improve the culture of research in the Division, we encourage our Districts to include capacity buildings in their action plan in order to provide our teachers the necessary trainings that will enhance their skills in conducting action research. We have set a target so that we can determine if the capacity buildings conducted are being materialized. Furthermore, this Office reiterates that conducting research is on voluntary basis.
3. Education Program Supervisors, Specialists, PSDSs, School Heads and Master Teachers on the other hand are highly encouraged to conduct research since it is part of their Key Result Areas (KRA).
4. On this note, initiatives of schools and districts to conduct research activities are highly appreciated. The research topics must emanate from the problems arising in the delivery of education in the new normal which will help in providing solutions to effectively deliver teaching and learning and to aid in policy formulation.
