24 February 2022

DIVISION MEMORANDUM
DM No. 144 s. 2022

VIRTUAL OBSERVANCE OF THE INTERNATIONAL DAY OF MATHEMATICS

TO: OIC-Assistant Schools Division Superintendents
Public Schools District Supervisors
Elementary and Secondary School Heads
District Mathematics Coordinators
Department Heads
Mathematics Teachers
All Others Concerned

1. The International Day of Mathematics on March 14, 2022 is a global event that celebrates mathematics. The major goals of the IDM is to improve understanding among the general public of the importance of mathematics education, raise awareness of the role of mathematics in modern society, science and disaster management, increase access to information about mathematics, increase international networking and collaboration in public awareness of mathematics and more.
2. Anent to this, the division shall conduct online activities from March 7-11, 2021 with its the "Mathematics Unites". This is anchored on Project BLAZE (Building Learners Authentic Zeal of Excellence) and Project T-MATH.
3. Each Congressional District **may** conduct elimination or they can just tap who will participate since the contest will be having limited number of participants and shall be conducted on the scheduled dates via ZOOM. to wit:
