DIVISION MEMORANDUM

DM No. 151, s. 2021

DISTRIBUTION AND UTILIZATION OF T-MATH NUMERACY MODULES

To: Assistant Schools Division Superintendents, CID and SGOD Chief, Education Program Supervisors and Specialists, Public School District Supervisors, School Heads, Math and LR Coordinators, All Concerned

1. As mandated by Republic Act 10533 or the Enhanced Basic Education Act of 2013, Section 5h states that "curriculum shall be flexible enough to enable and allow schools to localize, indigenize and enhance the same based on their respective educational and social contexts. The production and development of locally produced teaching materials shall be encouraged and approval of these materials shall devolve to the regional and division education units."
2. In response, the Curriculum Implementation Division (CID) crafted and reproduced **Project T-Math (Teachers' Materials for Active Teaching-Learning Habit) Numeracy Modules for Grades 2-6**. Its main objective is to improve the proficiency level of learners in the four fundamental operations - addition, subtraction, multiplication and division.
3. This project is a collaboration of the Top Management, CID Chief, Mathematics EPS In-Charge, Head Teachers, Master Teachers, Key Teachers and Learning Resource Section.
4. The distribution and utilization of this Project T-Math Teacher's Guide is to improve the numeracy level and mathematics education in the Division since the divisionwide Numeracy Test conducted last March 2020 revealed that the mastery of the four fundamental operations is far below the achievement standard of 75 %. This will also serve as additional reference materials in the teaching and learning process.
5. The distribution list of these learning resources (LRs) is attached in this Memorandum. School Heads or district representative are advised to pick-up the said LR's in the Supply Section until **April 23, 2021**. All unclaimed materials after the said date will be given to schools needing additional copies.
