1. The DepEd – Quezon and the Curriculum and Implementation Division – Instructional Management Section through the Science area will conduct a one-day webinar on the development of digital resources (video lessons) on April 15, 2021. The link for the webinar is [tinyurl.com/APRIL-15-PD](https://tinyurl.com/APRIL-15-PD)
2. The activity is under Project SHINE: Strengthening Holistic Instructions to Nurture Teaching Empowerment and is one of the initiatives of the science area for 2021 that will focus on the enrichment on the learning of concepts and provide intervention on the limited resources available in performing laboratory experiments.
3. The main objective of this project is to provide a webinar for teachers on how to create video lessons for a specific topic based on the Most Essential Learning Competencies MELCs. It specifically aims to:
  - a. Provide specific topics within the competencies that need video lessons of laboratory experiments and simulation activities.
  - b. Provide simple and practical tips in the creation and editing of video lessons.
