Subject: Request for Dental Mission at Pagsangahan Elementary School, San Francisco 2 District

Sir,

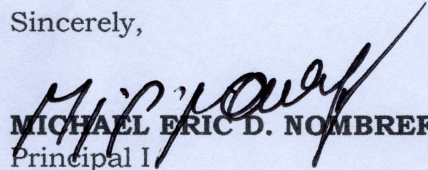

I hope this letter finds you well. On behalf of Pagsangahan Elementary School, I am reaching out to request your support in conducting a **dental mission** for our pupils and school personnel on **March 28, 2025**. We recognize the importance of oral health in overall well-being, and this initiative would provide much-needed dental care to our students and staff, many of whom have limited access to such services.

This initiative aims to provide essential services such as oral examinations and necessary dental extractions. We kindly request your assistance in providing dental professionals, equipment, and necessary materials to facilitate the activity. The school will take charge of organizing the venue, securing parental consent, and ensuring smooth coordination during the event.

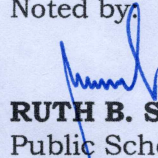

We would be grateful for your support in making this initiative successful. Please let us know any requirements or arrangements needed to proceed. We are happy to discuss further details at your convenience.

Thank you for your time and generosity in promoting oral health in our school community. We look forward to your positive response.

Sincerely,

MICHAEL ERIC D. NOMBREFIA
Principal I

Dear Dr. Maustia,

Good Health is fundamental to the health and well-being of our children and youth. The Department of Education, Division Office - Marikina City, acknowledges that while the mission of the school is to provide the knowledge and skills that children need to become healthy, productive citizens, there is a relationship between a child's health and academic performance.

As part of our annual February event, **REAL HEALTHY MONTH**, our school has invited a group of professional dentists that will take part on this celebration to provide oral health education and conduct dental health talks to educate students and staff with regards to oral health care. This event will be on **February 28, 2020** in the morning and will be spearheaded by our resident school nurse.

In light of the foregoing, we are sending you this communication in support and seek for your approval to make this event possible. In this way, we can make sure that our school is a healthy setting for our children and youth each and every day.

We look forward to your favorable response so that together we may succeed in our mission to serve our fellow students. Thank you in advance for the favor you will extend to us.

Respectfully,

Dear Sir:

Greetings!

Project REMEDIES (Respond Eagerly to Medical Emergencies and Dental Issues of Enfeebled Students) of Dr. Maria D. Pastrana National High School acknowledges that while the fundamental task of school is to provide exceptional knowledge and quality education, a healthy learner is also precedence to its goal which is crucial to the health and well-being of our learners.

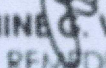

With this, the Project REMEDIES Team will conduct its 2nd Dental Mission in connection with the DepEd's celebration of National Oral Health Month in February 2025 with the theme "**Pamilya Una kong Dentista**" which highlights the crucial role of families and caregivers in promoting oral health.

In light of the foregoing and considering your field of proficiency, we humbly seek your assistance to be our **volunteer dentist** on March 20, 2025, 8:00 AM at DMDPNHS Covered Court with 50-60 beneficiaries from Grade 7 - Grade 12. In this way, we can ensure that our school is a healthy setting for learners.

Please feel free to contact our School Nurse Haidee T. Mandrique #09482980924 if you have any questions or need further information.

Thank you and God Bless.

Respectfully,

JOSEPHINE G. VILLVERDE

ATTENTION : **SGOD Chief Elizabeth M. De Villa**

Dear Sir/Madam:

The Dental Health Services of the Municipal Health Office of Mauban, Quezon, in coordination with the Center for Health Development Region IV-A CALABARZON, will be conducting a three-day dental activity from April 2 to 4, 2025 in Mauban, Quezon. The activity will occur on three locations: Cagbalete I Elementary School (Dapi), Cagbalete I Annex Elementary School (Sabang) and Cagbalete II Elementary School (Kalamyas).

The dental service will be provided to Elementary Students.

The services offered will include oral health education, oral examination, tooth extraction, tooth brushing drill, oral prophylaxis and fluoride application.

In connection to this, we are humbly requesting from your good office the support of your Dep-ED Dentist **Dr. Reynaldo Abuso, Dr. Jose Macario Ernie Patino and Dental Aide Mr. Sherwin Penamora**, to help us in our dental activities.

Your assistance will ensure the success of this endeavor.

Thank you and more power.

Sincerely yours,

ASTRID ROCIEL A. ALMIREZ

Sir:

We hope this letter finds you in good health and high spirits. We are writing to extend an invitation to Jose Macarion Ernie V. Patino to be part of the dental mission to be conducted on February 28, 2025 in celebration of Dental Health Month from 8:00 am to 1:00 pm. The said activity aims to provide free dental check up, tooth extraction, and basic dental treatments to our students. It is a wonderful opportunity for them to receive professional dental care and learn about the importance of maintaining good oral hygiene.

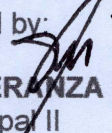

We understand that his time is valuable, and we greatly appreciate any contribution he can make towards the success of this dental mission. Your generosity will have impact on the oral health and wellbeing of our students.

Thank you in advance for considering our invitation. We look forward to your positive response and opportunity to collaborate with you on this important initiative.

Yours sincerely,

Yours sincerely,
