Subject: **INVITATION TO THE LAUNCH OF THE**
PHILIPPINE BIODIVERSITY TOOLKIT FOR TEACHERS

Education plays a vital role in forwarding initiatives in ecosystem restoration. Instilling appreciation and awareness of the rich biodiversity of the Philippines is a way to deter destructive human activities. In this regard, the Department of Education (DepEd), through the Disaster Risk Reduction and Management Service (DRRMS) and the Biodiversity Conservation Society of the Philippines (BCSP), developed the **Philippine Biodiversity Toolkit for Teachers**. This is to improve teachers' competence in imparting the significance of biodiversity and empowering learners to protect it.

In celebration of the International Day for Biological Diversity on 22 May 2021, the **Philippine Biodiversity Toolkit for Teachers will be launched online on 21 May 2021, at 9:00 a.m.**, and will be **streamed live at the official Facebook page of DepEd Philippines**. The launch will include a short quiz bee on Philippine biodiversity where the winner shall receive a prize. Mentimeter will be used as the platform for the quiz bee, and details will be available on the day itself. In addition, viewers will be acquainted with the contents of the Toolkit.

Interested participants may register at <http://bit.ly/PBTReg> to receive updates regarding the activity. For more information, please contact Ms. Almalyn C. Madrid of the DRRMS through (+63) 917 679 9353 or email at drrmo+ccam@deped.gov.ph.

For immediate and appropriate action.
