DIVISION MEMORANDUM
DM No. 272, s. 2022

**TRAINING WRITESHOP ON THE DEVELOPMENT OF AUTHENTIC ASSESSMENT,
INTEGRATIVE PERFORMANCE TASK AND LRE IN FILIPINO**

To: Assistant Schools Division Superintendents,
Public Schools District Supervisors,
Elementary and Secondary School Heads,
All Others Concerned

1. This Office through the Curriculum Implementation Division-Instructional Management Section (CID-IMS) under Project **SHINE** (Strengthening Holistic Interventions to Nurture Teachers Empowerment), will conduct Training Writeshop on the Development of Authentic Assessment, Integrative Performance Task and LRE in Filipino on April 20-22, 2022 at M.I. Sevilla's Resort Barangay Domoit, Lucena City.
2. Filipino demonstrates relevance in the elementary and secondary curriculum by providing competencies in its course offerings which create balance along the development aspects of every individual learner. One that contributes development is the assessment offered by Filipino teachers to the students and of the materials being used in the delivery of instructions. Providing an assessment that would help both the teachers and the learners and its materials in teaching and learning, is the provision of a standardized test that would help teachers ease the load of preparing tests for their daily teaching and application materials of Filipino.
3. The training aims to help teachers in their daily teaching and measure effectively the achievements of Filipino students using a well-prepared authentic assessment tool, IPT tool and LRE tool.
4. Participants to this training are 50 Curriculum writers specially selected to do the tasks of preparing these assessment tools used in Filipino teaching and learning. (Please see attached list of selected curriculum writers). They are requested to bring their own laptop and printer
