Madam:

Greetings of peace.

Your extension project to SDO- Quezon titled "Enhancement Training Program for Senior High School Mathematics Teachers" is highly appreciated by this Office. With the effort your institution has been exerting to enhance teachers' knowledge and skills in teaching Basic Calculus and Statistics and Probability for the last two years (2022 & 2023), no doubt your noble objectives will serve our teachers and students in a good stead.

Moreover, I feel honored that the select 115 senior high school mathematics teachers in our division are part of your significant undertakings, free of charge. In as much as you would like to assess the impact of the trainings you have given to them; this office would like to indorse your activity. However, such activity shall adhere to no- disruption of classes policy under the existing time-on-task mandate - DepEd Order No.9, s. 2005.

In this regard, this Office request for the schedule of the conduct of your assessment and evaluation so that SDO-Quezon, Curriculum Implementation Division – Mathematics will collaboratively work with you.

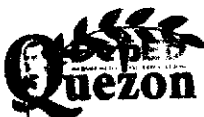

Thank you very much for your understanding.

Respectfully yours,
