Dear Sir,

GREETINGS OF PEACE!

The Quezon Council, BSP in support to the National Office's **SCOUTS GO GREEN**, will have a simultaneous Council Tree Planting Activity on August 1, 2021 with a goal that every scout will plant and nurture at least one (1) tree on their own backyard to contribute to the BSP thrust of planting One Million Trees in a year.

Scouters are also advised to look and adopt a planting site, preferably, Campsites, School and Home backyards, public plazas and parks, coastal areas, watershed area and other suitable areas for tree planting. The council would acknowledge receiving pictures for after action report (attached report form). For scouts, they will earn corresponding Merit Badge; Adult Leaders will satisfy one of the requirements for the National Lower Award.

Your favorable action on this Tree Planting Activity will certainly contribute in the preservation of our environment and help in solving global warming.

Your usual kind approval thereof is earnestly solicited.

Thank you and more power. Sir.

Scoutingly yours,

JOEL R. AVILLED, PhD
Council Scout Executive
