QUEZON

11 February 2022

DR. ELIAS A. ALICAYA JR.

Office of the Schools Division Superintendent
Department of Education
School Division Office
Quezon Province

Dear DR. ALICAYA,

Greetings from PSA Quezon!

The Philippine Identification System or PhilSys aims to establish a single national identification for every Filipino. Our target is the safe and efficient registration of 42 million Filipinos to PhilSys by the end of 2022. The registration for national ID comprised three steps. Step 1 registration is the process where demographic information is being collected, while Step 2 Registration is the capturing of biometrics information and validation of supporting documents at designated Registration Centers. Step 3 registration is the issuance of PhilSys Number (PSN) and the Physical ID.

In connection to this, we are encouraging the Tech-savvy Youth students ages from 5 years old above in Education Sectors among are DepEd employees, faculty, students and family members to register for the Online Step 1 registration using the advantage of the PhilSys web portal (<https://register.philsys.gov.ph>). Meanwhile, employees, faculty and students without access to the internet may register through the PhilSys institutional/mobile registration upon request to the Provincial office.

Fixed Registration Center located at the 3rd Floor Pacific Mall-Lucena City and other LGU based Registration Centers in selected municipalities are open from Monday- Saturday, 8:00-5:00pm to cater the majority of public. We also facilitate on-site registration to bring the registration close to your Institution.

We would appreciate your support in fast-tracking the implementation of the National ID system for inclusive and seamless delivery of government services for the Filipino people.

Thank you for being our partner in ensuring the success of this nationwide campaign.

Very truly yours,

AIRENEA. PUCYUTAN
Provincial Statistics Officer
