1. In reference with **Division Memorandum No. 441, s. 2022**, titled **Division Orientation on the Administration of Early Language Literacy and Numeracy Assessment (ELLNA) and National Achievement Test-Grade 6 (Nat-G6)**, please be informed of the following clarifications on the aforementioned Memorandum, to wit:
  - a. Participants for **ELLNA** are those included in the list of sampled schools, however, if the enlisted sampled schools are not yet implementing limited face-to-face classes, the schools need not administer the test. Only those sampled schools implementing limited face-to-face classes shall administer the said assessment.
  - b. The test-takers for **NAT-G6** are the current **Grade 6** learners of **SY 2021-2022**, therefore, the sampled national high schools were replaced by the nearby elementary schools implementing limited face-to-face as per advised by the Bureau of Education Assessment (BEA). Please see the attached list of the schools for NAT-G6.
