All Others Concerned

1. DepEd Order No. 39, s. 2016 or the Adoption of Basic Education Research Agenda emphasizes the important role of stakeholders in in the conduct of education research and in the utilization of research results to inform the Department's planning, policy, and program development aligned with its vision, mission, and core values. The Higher Education Institutions (HEIs) are viable partners in the research activities of the Department. Moreover, HEIs engagement in research is an integral part in the process of working together for a common goal.
2. This is the primary reason why DepEd Quezon will engage in partnership with the Higher Education Institutions in the province. The forging of partnership will include setting of priorities, shaping the a positive culture of research, designing or implementing studies, funding programs, assessing applications, communicating findings, and moving the results into practice. Importantly, our able HEIs engagement can bring knowledge and expertise from different experiences and perspectives to the division's research activities and building shared understanding of the targets in making research as a vehicle of change.
3. In this regard, Research Partnership Summit 2022 will be held on June 23, 2022, 2:00 p.m. at M.I. Sevilla's Resort, Brgy. Domoit, Lucena City.
4. The participants to this activity are the Top Management, Functional Division Chiefs, Members of the Schools Division Research Committee and 3 Representatives from every HEIs.
