We wish to thank you for participating in PMDP and contributing in the achievement of the goal to produce a corps of development-oriented, competent, dedicated, and honest government senior executives and middle managers.

We hope that the scholars who were not conferred with the Master's degree would be able to complete the rest of the program requirements particularly the Capstone Project which is the immediate return to DepEd's investment for sending them to the PMDP. Per program policy, completion of the requirements will still be under full scholarship for another six (6) months after the graduation. Beyond this period, all costs shall be borne by the scholar. Maximum residency is three (3) years after graduation date.

As we continue to fulfill our mandate to foster and support the development efforts of our country, we look forward to more collaborative work with your agency.

Very truly yours,
