**To:** Assistant Schools Division Superintendents

All Others Concerned

1. In reference to DepEd Order No. 18, s. 2025 entitled "*Implementing Guidelines of the Academic Recovery and Accessible Learning (ARAL) Program*," all public elementary and secondary schools are hereby directed to **review, adjust, and recalibrate their respective 2025 Annual Implementation Plans (AIPs)** to align with the provisions and implementation requirements of the ARAL Program.
2. The ARAL Program aims to bridge learning gaps and ensure inclusive and equitable quality education by providing targeted academic support to learners who are below the minimum proficiency level, particularly in foundational areas such as Reading, Literacy, and Numeracy.
3. In line with this, all schools are expected to:
  - integrate ARAL Program components (e.g., learner identification, intervention strategies, monitoring and evaluation mechanisms) in their 2025 AIP;
  - reallocate resources and adjust programs, projects, and activities (PPAs) accordingly to support effective implementation of ARAL;
  - ensure alignment of school-based planning with the guidelines set forth in DepEd Order No. 18, s. 2025;
