Subject: **MAXIMIZING THE USE OF DEPED TV AND
OTHER LEARNING DELIVERY MODALITIES**

As School Year 2021-2022 officially begins, the Offices of the Undersecretaries for Administration, Curriculum and Instruction, and Field Operations strongly emphasize the need to maximize the use of DepEd TV as part of the learning delivery modalities under the Basic Education-Learning Continuity Plan (BE-LCP).

The Department of Education (DepEd) has estimated that 13.91 million of the total number of learners enrolled in the previous school year have access to DepEd TV, making it one of the most widely available modalities for distance learning.

As one of the most equitable ways to deliver educational content, DepEd TV provides an avenue to accommodate the different learning styles of learners. TV episodes are designed with more interactive components to capture and sustain learners' interest while leading them to the attainment of the targeted competencies. Hence, this resource should be effectively utilized and maximized. This can only be done through awareness campaigns and information dissemination at the regional and division levels, so that learners and their families are informed about DepEd TV's accessibility and programming schedule (See Annex A).

In this regard, all regional and division personnel are hereby enjoined to actively promote the use of DepEd TV and DepEd Radio (Radio-based Instruction) alongside the other distance learning delivery modalities to maximize the learning experience of learners. In addition, teachers are requested to submit a quarterly report on the use of DepEd TV as part of teaching modalities in the new normal (See Annex B).

These reports will be used to assess DepEd TV's efficacy and effectiveness in ensuring that learners understand the lessons and competencies they must master over the school year. The information gathered will aid in the development of alternative solutions and enhancements to the program to reach out to more learners and teachers, particularly those who do not have access to the internet.

For questions and concerns on this subject, kindly contact Mr. Mark Anthony C. Sy, Head of the Information and Communications Technology Service – Educational Technology Unit (ICTS-EdTech), through email at mark.sy002@deped.gov.ph or Ms. Rosalie E. Bongon, Supervising Education Program Specialist of the Bureau of Learning Delivery (BLD), through email at rosalie.bongon@deped.gov.ph.
