Dear **Dr. Bautista**:

Greetings!

The 2023 Healthy Learning Institutions (HLI) pilot aims to help the country take the first step to have Healthy Schools. The JAO formalizes the DOH's partnership with DepEd, CHED, TESDA, LEB, DSWD, and DILG on developing healthy schools. This pilot seeks to augment the three (3) of OK sa DepEd flagship programs – school-based mental health, comprehensive sexuality education/adolescent reproductive health (CSE/ARH), immunization. The target audience for the HLI pilot would be Grade 4 to 6 public school students, specifically those in DepEd's last-mile elementary schools (LMES).

In this regard, the Department of Health Center for Health Development CaLaBaRZon Health Education and Promotion Unit (DOH-CHD4A-HEPU) would like to invite you and the following personnel to attend the *2023 HLI Program Implementation Review, Deliberation of Healthy Learning Institutions (HLI) and 2024 Action Planning and Deliberate LMES for the Regional Awarding of Healthy Learning Institutions (HLI) by reviewing the accomplishment and innovation of schools on October 23-27, 2023 at Nawawalang Paraiso Resort and Hotel, Brgy. Camaysa, Tayabas, Quezon.*
