- Manuscript and Manuscript Illustration screening underwent a blind judging process. The writer's and illustrator's name, school, district, and other identifiers appeared anonymously to the screening committee. Only those storybooks with complete documentary requirements submitted/emailed before the official working hours of the cut-off date underwent the screening process.
- The Regional and National Level will also implement the blind judging. This is why titles of the winning entries are withheld. Winning writers, illustrators and all others are also advised not to disclose any information (title, parts, excerpts, synopsis, illustrations) in any platform for it may result to **DISQUALIFICATION** of our entries.
