1. In light of DepEd Memorandum No. DRRMS -11-20-2020-0002 dated November 20, 2020, the **Rapid Assessment and Damage Report (RADAR) App** aims to assess swiftly the extent of damages brought by disaster situations (natural and man-made) among learners, teachers, infrastructures and other learning facilities.
2. With the recent ST Karding incident, as reflected on the data feed by the Central Office DRRMS, this Office clearly observed that as of 9:00 a.m. of September 29, 2022, there were only 252 out of 960 schools which complied. As per mandate, immediate reporting should have been done within 72 hours.
3. Annet to this, all School DRRM Coordinators, together with the School DRRM Team, are hereby directed to submit the aforementioned report through the DRRMS RADAR App on or before **September 30, 2022**.
