ANNEX A: DISTRIBUTION GUIDELINES

In July 2021, Colgate Palmolive Philippines, Inc. (CPPI) partnered with the Department to initiate a three-year program providing kindergarten students with dental care products and educational materials. This collaboration is part of the Bright Smiles, Bright Futures Program (BSBF), which aims to enhance oral health education for children in public schools.

During the 2024 academic year, CPPI, alongside the Bureau of Learners Support Services and Adopt-A-School Program, supplied over 2.15 million toothbrushes and toothpaste units, as well as oral health posters, to kindergarteners across 38,000 public schools.
