**MR. ROMMEL C. BAUTISTA, CESO V**  
 School's Division Superintendent  
 School's Division Office – Quezon Province

Dear **Mr. Bautista,**

A blessed day to you!

The Quezon City Anti-Drug Advisory Council is the lead agency in Quezon City tasked with the implementation of a total and integrated program designed to curb the drug abuse problem. It is the focal unit through which various sectors of the community work together to achieve the common objective of a drug-free Quezon City.

**Presidential Proclamation No. 124** mandates the celebration of the **Drug Abuse Prevention and Control Week (DAPC)** every 3<sup>rd</sup> week of November. **Quezon City Ordinance No. SP 2893 series of 2019** extends its celebration for the whole month of November.

As part of the month-long celebration of Drug Abuse with the theme "The Evidence is Clear: Invest in Prevention, Break the Cycle," the Quezon City Anti-Drug Abuse Advisory Council will host an **ANTI-DRUG ABUSE COUNCIL (ADAC) Summit** with the title "**Transformative Drug Abuse Prevention: Substance Use in the Cloud Culture.**" This year's summit will advocate systematic change and policy reform, promote evidence-based practices, and understand the nature of vaping as a new societal trend.

QCADAAC would be inviting a few major ADACs around the country, as well as non-teaching staff from the Junior or Senior High School (Public or Private) and School Division Office who work as guidance counselors or medical-related professionals, in addition to the various ADACs in the NCR.

We would like to extend a formal invitation to your **School's Division Office**, and selected **Junior/ Senior High School** to take part in this important summit. To ensure important representation and a major contribution, we have **reserved two (2) seats** for your SDO and selected public or private school. Their presence and expertise would be beneficial to the conversations and results of this pivotal gathering.
