To: Education Program Supervisors, Public Schools District Supervisors, Elementary and Secondary School Heads

1. With reference to DM-CI-2020-00162 titled Suggested Strategies in Implementing Distance Learning Modalities For School Year 2020- 2021, teachers shall prepare a Weekly Home Learning Plan (WHLP) to ensure that learners are on task and are guided on what they are expected to accomplish within a specific week.
2. In the preparation of WHLP under learning tasks, teachers shall also consider RM No. 296 s. 2020 Guidelines on the Preparation PIVOT I-D-E-A Lesson Exemplars: Learning plans for CALABARZON are contextualized and shall follow the I-D-E-A learning phases.
3. Teachers shall prepare brief and simplified WHLP using the I-D-E-A format from the Self Learning Modules. Please refer to the attached sample WHLP.
4. To provide a mechanism of support to learners who are lagging behind as manifested by the results of their formative and summative assessment, the Individual Monitoring Learning Plan shall be utilized by teachers and learning facilitators. (Appendix F- DM-CI-2020-00162)
5. Immediate dissemination of this Memorandum is desired.
