**INDICATIVE PROGRAM BRIEF**

*Isulong! Karapatan ng Bata sa Edukasyon sa Panahon ng COVID-19*  
*(Serye ng mga Webinar)*

**Background**

The COVID-19 pandemic has altered the landscape of basic education in the country and the world. Despite the challenges brought about by this public health emergency, the Department of Education (DepEd) is committed to respect, protect, fulfill and promote the right to education while upholding the right to health and safety, and the common good. Thus, DepEd Order (D.O.) No. 12, s. 2020, titled "Adoption of the Basic Education Learning Continuity Plan (BE-LCP) for School Year 2020-2021 in Light of the COVID-19 Public Health Emergency", was issued.

For learning to continue during the pandemic, the BE-LCP contemplates various learning delivery modalities (LDMs) in which learners will undertake their studies not in the physical school, but at home and in cyberspace, under the guidance of not only their teachers but also their parents or other learning facilitators. Teachers and students will also be interacting more actively through the internet and other means of telecommunications. As acknowledged in the BE-LCP, the landscape of child rights and child protection will be quite different in this learning environment.<sup>1</sup>

As part of the Department's efforts to adapt basic education to the COVID-19 context and continue to uphold child rights and child protection in this learning environment, the Legal Affairs Strand will be holding a series of webinars with the theme: *Isulong! Karapatan ng Bata sa Panahon ng COVID-19*. Recordings of these webinars are also intended to be shown through different platforms on the internet and broadcasted via television as part of the TV education of DepEd. Thus, the webinars and their broadcast will provide a rare opportunity to promote child rights and child protection in basic education.

The webinar series consists of three parts to promote child rights among DepEd personnel and parents or learning facilitators in the home as duty bearers: (1) Child Rights in Education on September 7, 8, 14 and 15, 2020; (2) Child Protection in Education in the Time of COVID-19 on September 28 to October 2, 2020; and (3) Positive Discipline in Education for Parents and Guardians on September 9, 16, 23 and 30, and October 7.

<sup>1</sup> D.O. No. 12, s. 2020, titled "Adoption of the Basic Education Learning Continuity Plan (BE-LCP) for School Year 2020-2021 in Light of the COVID-19 Public Health Emergency".

The first two parts, Child Rights in Education and Child Protection in Education in the Time of COVID-19, are part of the BE-LCP courses being overseen by the National Educators Academy of the Philippines (NEAP), particularly under the course entitled “Learner Welfare and Well-Being.” Regional and schools division personnel are the participants of these webinars. School leaders and teachers will also be invited to view the live streaming of the webinars. DepEd personnel who attend the webinars and teachers to whom the modules will be cascaded through Learning Action Cell sessions may also earn credits for the Professional Development Portfolio. The third part, Positive Discipline in Education for Parents and Guardians, aims to reach parents of learners and is open to the public. All episodes of the webinar will feature Filipino Sign Language interpreting.

<b>Child Protection in Education in the Time of COVID-19 (Proteksyon ng Bata sa Edukasyon sa Panahon ng COVID-19)</b>	
Course Description	Because learning will be done mostly at home and online, children will be exposed and be vulnerable to several risks peculiar to these settings. This series will discuss relevant issues on child protection under the BE-LCP. It will provide orientation on the Child Protection Policy (CPP) of the DepEd. It will also discuss the risks to, and vulnerabilities of, children while learning in the BE-LCP context and how school leaders, teachers, and parents can safeguard the children and address these threats. This course will also introduce the supplemental policy to the CPP of the DepEd, explicitly addressing the risks under the BE-LCP.
