The Department of Education IV-A (CALABARZON) has been chosen as one of the pilot sites for WASH in Schools Massive Open Online Course (WinS MOOC). The DepEd CALABARZON through the Education Support Services Division-School Health Unit announces the conduct of capacity development workshop on January 25 - April 16, 2021.

The self-paced course on "ACCELERATING WinS" for Division WinS TWG aims to help the Division level personnel to organize, understand division-wide WinS data and plan for technical assistance on program management in schools.

Subsequently, a self-paced course "LEADING WinS" is designed for School Heads, teachers and other members of School WinS TWG to effectively implement WinS program in their respective schools by learning the WinS policy, monitoring the program and planning for improvements.

Participants of this WinS MOOC must be members of the Division and school level WinS TWG who are tasked to manage the WinS program and are playing an important role in providing technical assistance to schools in the program implementation. See attached list of participants in SDO Quezon.
